News Release

Alberta youth challenged to be bold...

Edmonton (**April 12, 2010**) – The countdown is on! Registration for [YC Alberta 2010](#) began on February 24 and thousands of youth from across the province have confirmed their spot for the 'audacious' weekend. Over 16,000 Alberta youth will attend the life changing conference in May 2010.

YC Alberta is much more than awesome music and activities – it's about youth being challenged to live a bold life for the purposes of God. Registration for [YC Alberta 2010](#) launched on February 24, 2010. The event will take place **May 28 – May 30 2010**, at Rexall Place and the Expo Centre in Edmonton, Alberta.

"Our theme this year is "[Audacious](#)" and our prayer is that every student who attends would hear what God wants to say to them personally and to see them mobilized for His purposes," explains Mike Love, Executive Director of Extreme Dream Ministries. "I believe this generation has the audacity to live out Gods call on their lives like never before. Our aim is to properly present Jesus Christ to the world through cutting edge music, relevant communication and the passion of our life message," says Love.

The [YC](#) phenomenon has swept across the nation for 15 years, and has grown from 500 students in a small gymnasium, to a sell-out crowd of over 16,000 delegates in Alberta. More than 250,000 students have been impacted by this event that is spreading across the globe.

"We want to see more lives impacted through [YC Alberta](#), [YC Manitoba](#), [YC Belize](#), and [Global Youth Missions](#)," says Mike Love. "More importantly, this weekend is about setting aside our denominational differences as we become one in Christ."

[YC Alberta 2010](#) will be featuring motivational speakers such as Miles McPherson (US), Nick Vujcic (AUS) and musical guests Thousand Foot Krutch (CA), Leeland (US) and Grammy Award nominee Skillet (US).

YC Attendee, Michelle explains, "Just wanted to let you all know that I'm looking forward to YC already, last year was totally amazing and this year is going be amazing! The bands and the speakers this year are all awesome."
